SCOTLAND U20 vs WALES U20

2023 U20 SIX NATIONS

OPTA FACTS

- Wales have won each of their last two U20 Six Nations matches against Scotland after losing two in a row to them previously; they have never scored fewer than 17 points against Scotland in their previous 15 meetings in the Championship.
- Scotland have lost each of their last 11 matches in the U20 Six Nations, their joint-longest ever run in the competition (also 11 between March 2010 and March 2012), however, their most recent loss came by a margin of just five points (36-41 v England), their narrowest defeat in that run.
- Scotland have lost each of their last four home games in the U20 Six Nations, conceding exactly four tries in each of their last three such fixtures, however, their last win at home came on the last occasion they hosted Wales (27-20 in March 2019).
- Wales have won just two of their last 10 games in the U20 Six Nations (L8) and have lost each of their last four, their joint-longest ever losing run in the competition, however, they have scored 20+ points in each of their last two games, as many times as in their previous eight combined.
- Wales have lost four of their last five away games in the U20 Six Nations (W1) including each of their last two by margins of 29+ points, conceding 43+ points in each of those defeats, more times than in their previous 32 away games combined (1 time).
- Scotland had the highest lineout success rate of any side in the opening round of this year's U20 Six Nations (92%) and were also the only team not to miss a single kick at goal last time out (8/8).
- Scotland garnered more kicking metres than any other side in the opening round of this year's U20 Six Nations (841), while Wales made the fewest kicking metres of any team last time out (384m).
- Wales had the second highest tackle success rate of any side in the opening round of this year's U20 Six Nations (91%) and therefore made the joint-most tackles last time out (193, also France).
- Scotland's Richie Simpson scored at least six more points than any other player in the opening round of this year's U20 Six Nations (21); only once since 2012 has a Scotland player scored more points in a single game in the Championship (Nathan Chamberlain v Wales in March 2020, 32).
- Wales' Harri Houston beat the joint-most defenders of any player in the opening round of this year's U20 Six Nations (6), while teammate Cam Winnett was the only player to gain 100+ carry metres last time out (101m).
