INSIGHTS PRESENTED BY **Sage**

FRANCE vs WALES

2023 GUINNESS SIX NATIONS

OPTA FACTS

- France have won each of their last three Guinness Six Nations matches against Wales after winning just one in eight against them previously (L7); each of the last six Championship games between these two sides have been decided by margins of just five points or fewer.
- France have won eight of their nine Guinness Six Nations matches since the start of last year's Championship (L1) and won their most recent by a margin of 43 points (53-10 v England), their joint-biggest win in the competition, alongside a 56-13 win against Italy in 2005.
- France have won nine of their last 10 Guinness Six Nations home matches (L1) including each of their last four and have scored at least one try in each half of every match during that period – France haven't trailed at half-time in Paris since their opening game of the 2018 Championship (v Ireland).
- Wales won their most recent Guinness Six Nations match (29-17 v Italy) after losing six in a row previously, a run which was their longest without a victory in the Championship since 2006-2007, when they went seven games without a win (D1 L6).
- France have a tackle evasion rate of 31% in the 2023 Guinness Six Nations, at least six percentage points higher than any other side in this year's Championship and as a result have crossed the gainline from a greater percentage of their carries than any other side this year (56%).
- France have scored over twice as many tries following opposition turnovers (5) than any other side in this year's Guinness Six Nations and are also the only team not to have conceded a try following a turnover in the Championship this year.
- Wales have conceded the joint-fewest turnovers of any side in this year's Guinness Six Nations (44, also Ireland), while only Ireland (30) have won more turnovers than them in the Championship this year (23).
- Of the 61 players to face 20+ tackle attempts in the Guinness Six Nations this year, just five have a tackle evasion rate of 50% or better and three of those players could feature in this match – Damian Penaud (79%), Ethan Dumortier (51%) and Liam Williams (50%).
- Wales' Louis Rees-Zammit has gained 155 metres from his 10 carries in this year's Guinness Six Nations, an average of 15.5 metres per carry, the highest average gain of any player to make 10+ carries; France's Damian Penaud is one of just two other players with an average gain of 10+ metres per carry (10.5m, also James Lowe – 12.2).
- Should Taulupe Faletau feature against France, he will win his 100th cap for Wales, becoming the eighth man to reach a century for Wales; should Alun Wyn Jones feature, he will overtake Brian O'Driscoll as the player with the second-most appearances in the history of the Guinness Six Nations (both currently on 65).
