

PREVIEW REPORT

SCOTLAND vs WALES
WOMEN'S SIX NATIONS 2023
ROUND 2

SCOTLAND vs WALES

2023 WOMEN'S SIX NATIONS

OPTA FACTS

- Wales have won 14 of their last 16 TikTok Women's Six Nations matches against Scotland (L2) although their two defeats in that run both came in their last three trips to Scotland; each of the last five Championship games between Scotland and Wales have been decided by margins of just seven points or fewer, including two by a single point.
- Scotland have won just one of their last 18 games in the TikTok Women's Six Nations (D1 L16) and have lost each of their last six, however, three of those six losses came by margins of just a converted try or less.
- Scotland have won just one of their last 11 home games in the TikTok Women's Six Nations (D1 L9) and have lost each of their last two by margins of 20+ points, however, their sole win during that period came in their most recent home match against Wales (27-20 in 2021).
- Wales won their opening match of the 2023 TikTok Women's Six Nations (31-5 v Ireland) after losing their last three of the 2022 campaign; they will be aiming to win their opening two matches of the campaign for the first time since 2015 (v England and Scotland).
- Wales have won just two of their last 13 away matches in the TikTok Women's Six Nations (D1 L10), however, one of those wins came in their first away game of last year's Championship (27-19 v Ireland).
- Scotland had the highest carry dominance rate of any side in the opening round of this year's TikTok Women's Six Nations (50%) and also opted to exit their own 22 via carries more frequently than any other side last time out (67%).
- Wales recorded a tackle success rate of 92% in the opening round of this year's TikTok Women's Six Nations, the highest rate of any team last time out and their highest in the Championship since registering 94% against Scotland last year.
- Only England (72%) crossed the gainline from a greater percentage of their carries than Wales (61%) in the opening round of this year's TikTok Women's Six Nations – Wales also had the second highest tackle evasion rate of any side last time out (27%).
- Scotland's Chloe Rollie was one of just two players to gain 100+ metres via carries in the opening round of this year's TikTok Women's Six Nations (109m), alongside England's Claudia MacDonald – Rollie was also responsible for the last time a Scottish player made 100+ metres in the Championship (105m v France in 2020).
- Wales' Abbie Fleming claimed eight lineout takes from her own team's throws in the opening round of this year's TikTok Women's Six Nations, more than any other player – Fleming was also one of just six players to steal an opposition lineout last time out.
