**ENGLAND vs FRANCE  
WOMEN'S SIX NATIONS 2023  
ROUND 5**

## ENGLAND vs FRANCE

2023 WOMEN'S SIX NATIONS

### OPTA FACTS

- England have won each of their last four TikTok Women's Six Nations matches against France after winning just one in six against them previously (L5) – three of the last five Championship matches between England and France have been decided by margins of just six points or fewer.
- England and France will square off in Round 5 of a TikTok Women's Six Nations campaign for the fifth time since Italy joined the competition in 2007, with three of their previous four such meetings having been a Grand Slam decider for at least one of the sides, including last year when both nations went into Round 5 with a 100% record (England won 24-12).
- England have won 50 of their previous 53 home matches in the TikTok Women's Six Nations (L3), however, all three of their losses during that period came against France – England have won each of their last four home games in the Championship by margins of 50+ points.
- France have won all four of their games in this year's TikTok Women's Six Nations and could clinch a Grand Slam for the first time since 2018, however, they have lost each of their last two Round 5 fixtures in the Championship (v Italy and England) after winning eight in a row previously.
- England (67%) and France (61%) have crossed the gainline from a greater percentage of their carries than any other sides in this year's TikTok Women's Six Nations – England also have the Championship's highest carry dominance rate (47%), while France possess the best tackle evasion rate (31%).
- France are the only side to have gained 100+ metres through mauls in this year's TikTok Women's Six Nations (101m), however, they are yet to score a maul try, while England have scored more maul tries than every other nation in the Championship combined (7).
- France (93%) and England (95%) are the only sides to boast a 22 exit success rate of 90% or better in this year's TikTok Women's Six Nations; 59% of France's successful exits have come from kicks – the highest rate of any nation – while 58% of England's exits have come from carries, also a Championship-high.
- Six players have scored 4+ tries in this year's TikTok Women's Six Nations, all of whom play for either England or France: Marlie Packer (6), Abigail Dow (5), Gabrielle Vernier, Jess Breach, Tatyana Heard and Claudia MacDonald (4 each).
- France's Melissande Llorens has gained 265 metres from just 12 carries in this year's TikTok Women's Six Nations, with her average gain of 22 metres per carry being double that of any other player to have made 10+ carries in this year's Championship.
- England's Abigail Dow has registered at least three more line breaks than any other player in this year's TikTok Women's Six Nations (10) and also ranks second for defenders beaten in the Championship this year (27) – France's Jessy Tremouliere (7) is the only player to have made more offloads than Dow (6).
