WOMEN'S SIX NATIONS 2023
ROUND 3**

FRANCE vs SCOTLAND

2023 WOMEN'S SIX NATIONS

OPTA FACTS

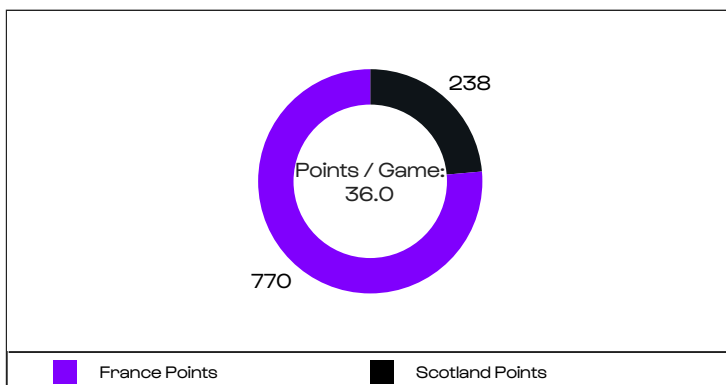

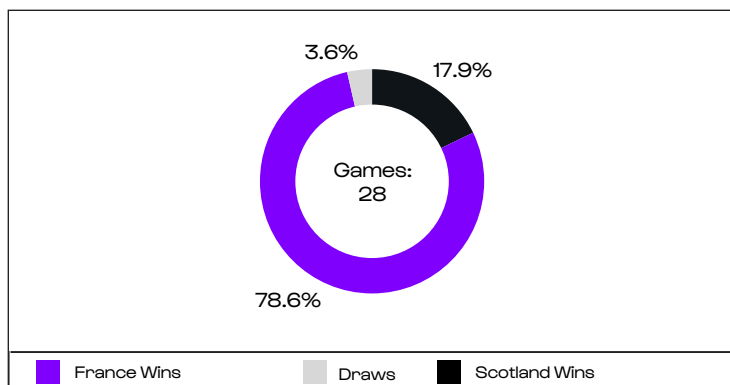

- France have lost just one of their last 18 matches against Scotland in the TikTok Women's Six Nations (W16 D1) and are unbeaten in their last 11 (W10 D1); France have not lost at home to Scotland in Test rugby since 2003 (14-19).
- France have lost just two of their last 13 games in the TikTok Women's Six Nations (W10 D1), with their only defeats during that period having come against reigning Grand Slam champions England; Les Bleues won their most recent match by a margin of 48 points (53-5), their biggest win since their opening match of the 2021 campaign (53-0 v Wales).
- France have won 21 of their last 23 home games in the TikTok Women's Six Nations (L2), with both defeats in that period coming against England; Les Bleues lost their most recent home game in the Championship but have never lost consecutive matches on home soil.
- Scotland have won just one of their 38 away games in the TikTok Women's Six Nations since the beginning of 2007 when Italy joined the Championship (D1 L36), that solitary victory coming in 2018 against Ireland (15-12).
- Scotland have won just one of their last 19 matches in the TikTok Women's Six Nations (D1 L17), however, they scored 22 points in their most recent game (22-34 v Wales), their highest tally since their final match of the 2021 campaign (27-20 v Wales).
- Scotland have the highest carry dominance rate of any side in this year's TikTok Women's Six Nations (43%), while France have the highest tackle evasion rate of any nation in the Championship this year (28%).
- France have the highest average gain per maul of any side in this year's TikTok Women's Six Nations (5.2m/maul) and have gained the most maul metres overall (78m), however, they are one of three sides yet to score a maul try in the Championship this year (also Italy and Ireland).
- France have the highest tackle success rate of any side in this year's TikTok Women's Six Nations (90%) and have seen just 3% of their missed tackles result in a try being conceded, the lowest such rate of any team in the Championship this year.
- France hooker Agathe Sochat has the best lineout throw success rate of any player to have attempted at least five throws in this year's TikTok Women's Six Nations (85%, 22/26), meanwhile teammates Charlotte Escudero (4) and Audrey Forlani (3) have slowed down the opposition ruck more often than any other player in this year's Championship.
- No player has beaten more opposition defenders in this year's TikTok Women's Six Nations than Scotland's Chloe Rollie (15, also Abigail Dow), while teammate Helen Nelson also ranks joint-first for break assist passes in the Championship in 2023 (3, also Elinor Snowsill and Emma Sing).
