

PREVIEW REPORT

FRANCE vs WALES
WOMEN'S SIX NATIONS 2023
ROUND 4

FRANCE vs WALES

2023 WOMEN'S SIX NATIONS

OPTA FACTS

- France have won 13 of their last 14 TikTok Women's Six Nations matches against Wales (L1) including each of their last six by margins of 20+ points; France have won each of their previous 12 home matches against Wales in the Five/Six Nations, preventing them from scoring more than seven points in all but one of those fixtures.
- France have won their first three games of this year's TikTok Women's Six Nations, including each of their last two by margins of 48 and 55 points respectively – France recorded a shutout in their most recent match (55-0 v Scotland), their first in the Championship since their last home match against Wales (53-0 in 2021).
- France have won 22 of their last 24 home games in the TikTok Women's Six Nations (L2), with their only losses during that period both having come against reigning Grand Slam champions England – each of France's last seven home wins have come by margins of over 30 points.
- Wales have won two of their three games in this year's TikTok Women's Six Nations (L1), already as many as they won in the 2022 Championship, however, their sole loss this year came against England in the most recent round by a margin of 56 points (3-59).
- Wales have won two of their last three away games in the TikTok Women's Six Nations (L1), including their most recent (34-22 v Scotland) after losing four in a row previously, however, they haven't won back-to-back away games in the Championship since 2013 (v Italy and Scotland).
- France have made 40 successful offloads in the TikTok Women's Six Nations this year, 12 more than the next best team (England – 28), recording more try assists (3) and line break assists (9) from offloads than any other side in the process.
- France have gained 90 metres from their maul in the Championship this year, the most of any team; meanwhile Wales have a 100% maul success rate, retaining possession from each of the 14 mauls they have initiated, while only England (6) have scored more tries directly from mauls than Wales (2).
- Wales have won 89% of their lineouts in the TikTok Women's Six Nations this year, the best rate of any team, while France boast the second best lineout success rate in the Championship in 2023 (87%).
- Wales' Alex Callender has recorded the most ruck arrivals of any player in the TikTok Women's Six Nations this year (105), hitting a Championship-high 80 attacking rucks and the fifth most defensive rucks (25); teammates Georgia Evans (98) and Sioned Harries (94) have hit the third and fourth most rucks respectively.
- France's Pauline Bourdon has been directly involved in eight tries in the Championship this year (8 – 3 tries, 5 assists), no player has been involved in more (Abigail Dow also 8); Bourdon's tally of five try assists is the most of any player in 2023.
