

PREVIEW REPORT

**SCOTLAND vs IRELAND
WOMEN'S SIX NATIONS 2023
ROUND 5**

SCOTLAND vs IRELAND

2023 WOMEN'S SIX NATIONS

OPTA FACTS

- Ireland have won 14 of their last 15 matches against Scotland in the TikTok Women's Six Nations (L1), including each of their last three, while they've not lost away to Scotland since 2005 (5-15) – four of the last five Championship games between Scotland and Ireland have been decided by margins of just seven points or fewer.
- Scotland won their most recent match in the TikTok Women's Six Nations (29-21 v Italy) by a margin of eight points after losing eight in a row previously – it was their biggest win in the Championship since 2007 (26-6 v Italy), however, they have not won consecutive games since 2006 (v Ireland and Spain).
- Scotland have won just one of their 14 TikTok Women's Six Nations Round 5 matches since Italy joined the Championship in 2007 (L13), however, their sole win during that period came the last time they concluded a campaign at home (14-12 v Italy in 2017).
- Ireland have lost all four of their games in this year's TikTok Women's Six Nations, however, they have not lost all five in single edition of the competition since 2004 and they won their final match in last year's Championship (15-14 v Scotland).
- Ireland have won just one of their last eight away games in the TikTok Women's Six Nations (L7) and have lost each of their last four without scoring more than seven points in any of those games, however, they have not lost five consecutive away games in the Championship since 2003-2005.
- Scotland have won the most turnovers of any side in this year's TikTok Women's Six Nations (31), a total which includes 20 turnover-winning tackles, at least six more than any other side – only Wales (44) have conceded fewer turnovers than Scotland (50) in this year's Championship.
- Ireland (24) and Scotland (21) were the only two sides to attempt over 20 kicks from hand in Round 4 of this year's TikTok Women's Six Nations and also ranked first and second respectively for kicking metres last time out (Ireland – 662m, Scotland – 655m).
- Scotland won 14 scrums on their own put-in without losing one in the most recent round of the TikTok Women's Six Nations, the most by any team in a match this campaign, while Ireland are one of just two sides with a success rate of over 90% on their own scrums across the 2023 campaign (91%, also England - 100%).
- Scotland's Chloe Rollie has beaten more defenders than any other player in this year's TikTok Women's Six Nations (28) and was just one of two players to beat 10+ defenders in the most recent round of fixtures (10) – Rollie also ranks second for metres gained in the Championship (375m).
- Ireland's Neve Jones has made more tackles than any other player in this year's TikTok Women's Six Nations (74) and has registered a tackle success rate of 99%, the highest of any of the 19 players to have attempted 50+ tackles in the Championship this year.
