PREVIEW REPORT

ENGLAND - WALES

SUMMER NATIONS SERIES 2023

WEEK 3

12/08/2023

ENGLAND vs WALES

2023 SUMMER NATIONS SERIES

OPTA FACTS

- Wales won their reverse fixture against England in the Summer Nations Series last weekend (20-9), however, they have not won back-to-back games against England since winning three in a row between August 2011 and March 2013 – Wales' last win against England at Twickenham came during the 2015 Rugby World Cup (28-25).
- England have lost each of their last three Test matches by margins of over 10 points, however, they have not lost more matches in a row by double-digit margins since June-July 1998 (4 in a row) and haven't lost 4+ consecutive Tests since February-June 2018 (L5).
- England have won just one of their last five home Test matches (D1 L3) and have lost three of their last four, with their most recent loss coming by a margin of 43 points (10-53 v France in March), their heaviest ever loss on home soil.
- Wales have won two of their last three Test matches (L1) after losing five in a row previously, however, they have not won back-to-back matches against Tier 1 sides since December 2020-March 2021 (W5); each of Wales' last six Tests have been decided by margins of 10+ points.
- Wales prevented England from scoring a single point after half-time in their reverse fixture last Saturday, the first time that Wales have recorded a second-half shutout since the 2020 Autumn Nations Series (v Georgia).
- England have gained more metres per maul than any other side in Tier 1 Test rugby in 2023 (3.0m) and have also scored more maul tries than any other side this year (3), while Wales have scored the joint-second most (2, also South Africa).
- England (31.7) and Wales (30.0) are two of just three Tier 1 nations to have made 30+ kicks in play per game in 2023 (also France), while England are also one of just two sides to have gained 900+ metres per game via kicks this year (959, also France – 986).
- Only New Zealand (10.3) have made more offloads per game among Tier 1 nations in 2023 than Wales (8.8), while England are the only side to have made fewer than five offloads per game this year (4.3).
- England's Freddie Steward has made more carries than any other player in Tier 1 Test rugby in 2023 (71), while teammate Ellis Genge, who could earn his 50th cap in this match is one of just two props to have made 50+ carries this year (61, also Pierre Schoeman).
- Wales' Jac Morgan has made more tackles per 80 than any other player in Tier 1 Test rugby in 2023 (19.7, min. 240 minutes played), while he also ranks second for dominant tackles per 80 this year (2.4, behind Scott Barrett) and has registered five direct try involvements in his last six Tests (4 tries & 1 assist).
