PREVIEW REPORT

FRANCE - AUSTRALIA

SUMMER NATIONS SERIES 2023

WEEK 5

27/08/2023

**FRANCE
RUGBY**

Wallabies

FRANCE vs AUSTRALIA

2023 SUMMER NATIONS SERIES

OPTA FACTS

- France have won two of their last three Test matches against Australia (L1), including their most recent (30-29 in November 2022), as many as in their previous 12 against them combined (L10), however, they haven't won back-to-back matches against the Wallabies since 1990-1993 – each of the last six matches between these two sides have been decided by margins of just three points or fewer.
- France have won 19 of their last 21 Test matches (L2) including each of their last two and have scored 3+ tries in each of their last six games – four of France's last five wins have come by margins of over 10 points.
- France have won 22 of their last 23 Test matches on home soil (L1), including each of their last 13, which is their longest ever winning run at home – Les Bleus have scored 30+ points in 11 of their last 12 home games, including each of their last seven.
- Australia have lost each of their last four Test matches, with two of those losses coming by margins of exactly 31 points, and the other two coming by margins of exactly three points – the Wallabies have not lost more Test matches in a row since October 2015-August 2016 (L6).
- Australia won their most recent Test match on European soil (39-34 v Wales in November 2022) after losing three in a row previously – each of the Wallabies' last six Tests in Europe have been decided by margins of just five points or fewer, including four by margins of a single point.
- France and Australia have scored the joint-most points per attacking 22m entry of any sides in Tier 1 Test rugby in 2023 (2.78 each); however, the Wallabies have also made fewer entries per match than any other side this year (5.8).
- France have the highest tackle evasion rate of any Tier 1 nation in Test rugby in 2023 (27%), while only South Africa (57.3%) have crossed the gainline from a greater percentage of their carries than Australia (56.8%) this year.
- Australia are one of just two sides to have maintained a 100% success rate from their own scrums among Tier 1 Test sides in 2023 (also South Africa), while France are one of three sides with a 90%+ success rate from their own lineouts this year (90.0%, also Argentina and New Zealand).
- France's Damian Penaud is one of just two players to have averaged one try per 80 minutes played in Tier 1 Test rugby in 2023 (min.240 minutes played, also Canan Moodie – South Africa), while only Duhan van der Merwe (7.4) has beaten more defenders than Penaud (5.0) per 80 among wingers with 240+ minutes played.
- Australia's Angus Bell has beaten over twice as many defenders per 80 minutes (6.5) as any other prop in Tier 1 Test rugby in 2023 (min.80 minutes played) and is also one of just two props to have completed 1+ offloads this year (1.2, also Thomas Gallo).
