FRANCE - FIJI

SUMMER NATIONS SERIES 2023

WEEK 4

19/08/2023

**FRANCE
RUGBY**

FIJI RUGBY

FRANCE vs FIJI

2023 SUMMER NATIONS SERIES

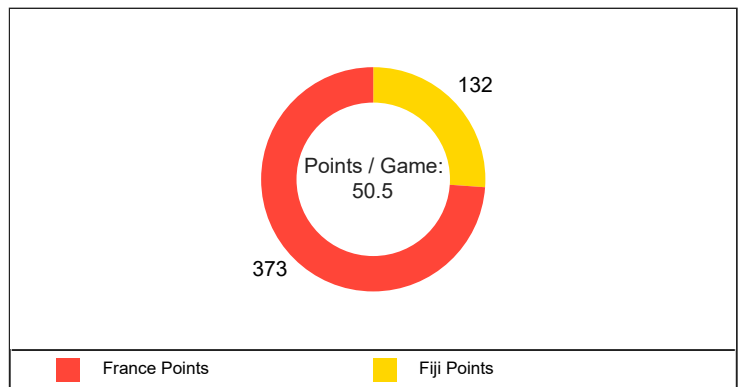

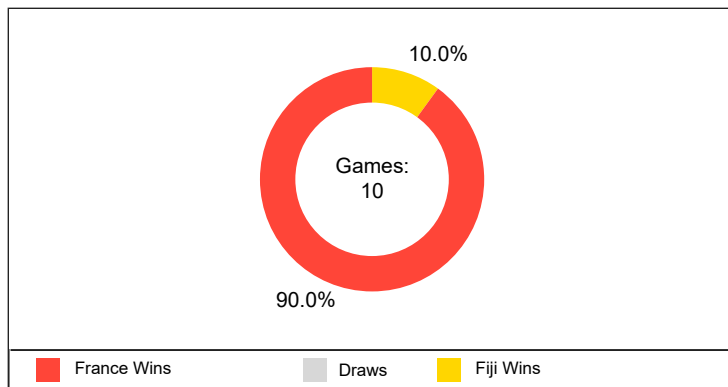

OPTA FACTS

- Fiji won their most recent Test match against France (21-14 in November 2018) after losing each of their previous nine against Les Bleus, with six of those defeats having come by margins of over 20 points.
- France have won 18 of their last 20 Test matches (L2), including each of their last two games against Oceanic opposition (Australia and New Zealand) while they have scored 30+ points in each of their last six matches on home soil.
- France have won 21 of their last 22 Test matches on home soil (L1), including each of their last 12 in a row, making it their longest ever winning run in France, surpassing the 11 consecutive home games they won between 1975 and 1977.
- Fiji have won each of their last three Test matches after losing four in a row previously, however, they haven't won four in a row since June-July 2017 – each of Fiji's last five matches have been decided by margins of 14+ points.
- Fiji are winless in their last four Test matches which were hosted in Europe (D1 L3) after winning four consecutive Tests in the continent previously – Fiji have won each of their last four Test matches on French soil.
- Fiji have gained 554 metres per game this year, the most of any nation heading to this year's Rugby World Cup, while they're the only team to average 5+ metres per carry (5.3); no side has averaged more offloads per game this year than Fiji (11) who have created 3.3 line breaks per game from offloads, almost twice as many as the next best team (Australia – 1.8).
- France have evaded 28% of the tackles they've faced in Test rugby in 2023, the best rate of any Tier 1 nation; overall they've beaten 180 defenders this calendar year, only Scotland (216) have beaten more.
- Fiji scored more tries (14) and made more line breaks (19) than any other side in the 2023 Pacific Nations Cup – Fiji also conceded fewer turnovers (41) and made more turnover-winning tackles (14) than any other side in this year's competition.
- France's Matthieu Jalibert has made more line breaks (0.9) and beaten more defenders (3.8) per 80 than any other fly-half in Tier 1 Test rugby since the 2019 Rugby World Cup (min. 640 minutes played) – Jalibert's average of a try or assist every 85 minutes is also the best of any 10 during that period.
- Fijian trio Sireli Maqala (171), Waisea Nayacalevu (168) and Selestino Ravutaumada (165) were the only players to gain 160+ metres in the 2023 Pacific Nations Cup – Nayacalevu also made the joint-most line breaks of any player (3), while Ravutaumada made the joint-most offloads, alongside Charles Piutau and teammate Semi Radradra (5).
