PREVIEW REPORT

FRANCE - SCOTLAND

SUMMER NATIONS SERIES 2023

WEEK 3

12/08/2023

**FRANCE
RUGBY**

SCOTLAND

FRANCE vs SCOTLAND

2023 SUMMER NATIONS SERIES

OPTA FACTS

- Scotland won against France at Murrayfield (25-21) last week and have now won three times against Les Bleus since the 2019 Rugby World Cup, more than any other nation; however, France have won 13 of their last 14 games against Scotland on home soil (L1).
- France have won 17 of their last 19 Test matches (L2), however, each of their two losses during that period have come in their last five matches, with France losing against Scotland last weekend despite leading by 18 points at halftime – the biggest halftime lead any nation has registered without going on to win the match since England against Scotland in the 2019 Six Nations (31-7 at HT, 38-38 at FT).
- France have won 20 of their last 21 Test matches on home soil (L1), including their last 11 in a row – their joint longest winning run on home soil (also W11 in 1975-77); however, their most recent defeat on home soil came against Scotland (23-27 in March 2021).
- Scotland have won each of their last three Test matches, despite trailing at half-time in each of their last two – overall, Scotland have won six of their last eight Tests (L2), as many as in their previous 14 combined (L8).
- Scotland prevented France from scoring a single second-half point during their reverse fixture in Murrayfield last weekend – it was the first time that Les Blues had failed to score a single second half point in a Test match since their 2019 Rugby World Cup quarter-final loss against Wales.
- France (27.1%) and Scotland (24.2%) have the highest and third highest tackle evasion rates of any side in Tier 1 Test rugby in 2023, while France are also the only side to have scored a try from over half of their line breaks this year (52.8%).
- Scotland are the only Tier 1 nation to have been successful with 90%+ of their tackle attempts in 2023 (91.3%), while France possess the second highest such rate of any side this year, however they are also the two sides with the fewest dominant tackles per game in 2023 (France – 10.5, Scotland, 9.3).
- France have scored more points per opposition 22 entry than any other Tier 1 nation in 2023 (2.9), however, Scotland are one of just two sides to have conceded fewer than two points per opposition entry into their own 22 this year (1.6, also Ireland – 1.4).
- France wingers Damian Penaud (25) and Ethan Dumortier (22) are two of just three players to have beaten over 20 defenders in Tier 1 Test rugby in 2023, alongside Scotland's Duhan van der Merwe (43) – Gael Fickou has also beaten more defenders than any other centre this year (18), while Antoine Dupont has beaten more defenders than any other scrum-half (16).
- Scotland's Blair Kinghorn (1.2) and France's Damian Penaud (1.0) are the only two players to have averaged 1+ tries per 80 minutes in Tier 1 Test rugby in 2023 (min. 240 minutes played), Kinghorn is also one of just two players to have gained 100+ metres per 80 minutes this year (101, also Hugo Keenan - 104).
