PREVIEW REPORT

IRELAND - ENGLAND

SUMMER NATIONS SERIES 2023

WEEK 4

19/08/2023

IRELAND vs ENGLAND

2023 SUMMER NATIONS SERIES

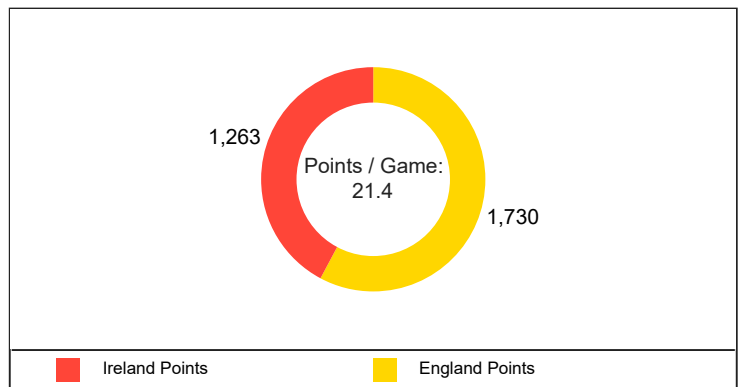

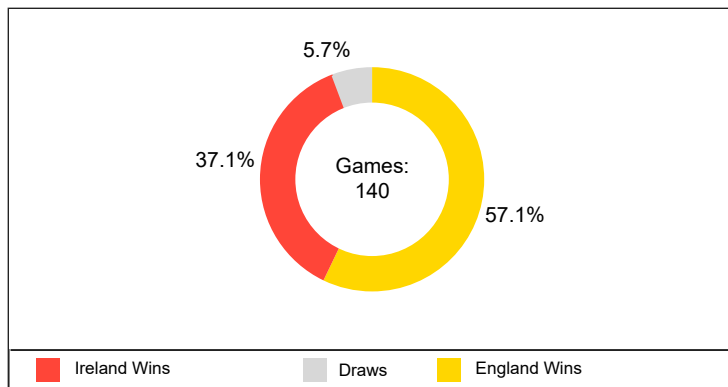

OPTA FACTS

- Ireland have won their last three Test matches against England after losing each of their previous four, however, they haven't won four in a row against England since 2004-2007 (W4); the team leading at half-time has gone on to win each of the last 18 matches between these two sides.
- Ireland have won each of their last 11 Test matches, their second longest winning run in Test rugby; they could equal their longest such run with victory against England, having previously won 12 straight Tests between 2017 and 2018.
- Ireland have won 24 of their last 25 Test matches on home soil, including each of their last 15 – their longest winning run at home in Test rugby; Ireland have scored 4+ tries in each of their last three home matches.
- England won their most recent Test match (19-17 v Wales) after losing three in a row previously, keeping Warren Gatland's side scoreless in the opening 40 minutes – England have gone on to win 29 of the last 32 Test matches in which they led at half-time.
- England have lost each of their last two away Test matches after winning three in a row previously, failing to score a single first-half try in either of those two defeats – each of England's last three away matches have been decided by margins of 10+ points.
- Ireland have mauled on 58 occasions in 2023, more than any other Tier 1 nation, however it is England who have gained the most metres (107) and scored the most tries (4) directly from mauls this calendar year.
- Ireland have gained 540 metres per game from their carries in 2023, more than any other Tier 1 nation; only New Zealand have averaged more carries (144) or line breaks (8.3) per game than Ireland this calendar year (143 carries, 7.2 line breaks).
- Ireland's Mack Hansen has made seven passes that have assisted a line break in Test rugby this year, the joint most of any Tier 1 player (also Finn Russell); Hansen has also made seven line breaks of his own this calendar year, meaning he's been directly involved in 14 line breaks – the most of any player, with teammate James Lowe ranking joint 2nd (12 - 10 breaks, 2 assists; Duhan van der Merwe also 12).
- Freddie Steward (England) has made more carries than any other Tier 1 player in Test rugby this year (79), including 31 dominant carries, also the most of any player; Steward has gained 363 metres from kick returns in 2023, the only other player to gain 200+ metres in that fashion is Ireland's Hugo Keenan (255).
- Ollie Lawrence beat five defenders against Wales last weekend, more than any other player on the pitch; in 2023 the England centre has recorded a 69% gainline success rate – of Tier 1 backs to make 30+ carries this year, only Australia's Marika Korobete (78%) has recorded a better rate.
