PREVIEW REPORT

SCOTLAND - FRANCE

SUMMER NATIONS SERIES 2023

WEEK 2

05/08/2023

SCOTLAND vs FRANCE

2023 SUMMER NATIONS SERIES

OPTA FACTS

- France have won each of their last two Test matches against Scotland after winning just one in four against them previously (L3); France have trailed at half-time just once in their last 10 Test matches against Scotland (ahead 8 times, level once).
- Scotland have won five of their last seven Test matches (L2) including each of their last two by margins of exactly 12 points – two of Scotland's last four wins have come despite trailing their opponents at half-time on the day.
- Scotland have won four of their last five Test matches at Murrayfield (L1) including each of their last two, with each of those five matches being decided by margins of 12+ points – four of the previous six had seen the sides separated by single figure margins.
- France have won 17 of their last 18 Test matches (L1), including each of their last three, with their only defeat in that spell coming against Ireland in this year's Six Nations; les Bleus have scored 29+ points in each of their last seven victories and have also held 13+ point leads at half-time in each of their most recent three.
- France have won six of their last seven Test matches away from home (L1), including their most recent by a margin of 43 points (53-10 v England), which was their joint-biggest win against Tier 1 opposition outside of France (also 56-13 v Italy in March 2005).
- France (28.7%) and Scotland (24.5%) were the two sides with the highest tackle evasion rate of any teams in this year's Six Nations and as a result beat more defenders per game than any other sides (France – 28.8, Scotland – 28.2).
- Scotland (91.7%) and France (89.0%) had the two highest tackle success rates in this year's Six Nations - 81.3% of Scotland's missed tackles saw the opposing player tackled before breaking the line or scoring a try, the highest such rate of any team in this year's Championship, while France conceded just 3.6 line breaks per game, fewer than any other side.
- France were successful from 85% of their place-kick attempts in the 2023 Six Nations, the highest rate of any team, despite Opta's kick prediction model suggesting a success rate of just 78%, meaning that Les Bleus scored 5.2 points more than their expected tally.
- Darcy Graham has scored six tries in his last three Test matches for Scotland – since the start of the 2022 Autumn Nations series, he has averaged a try every 64 minutes in Test rugby; among players with 100+ minutes played in that time, only Kurt-Lee Arendse has a better such rate (1 try/55 minutes).
- Damian Penaud was the top try scorer in this year's Six Nations (5), with Scotland duo Blair Kinghorn and Huw Jones being the only other two players to score 4+ tries in this year's Championship (4 each), while Romain Ntamack and Antoine Dupont were two of just three players to provide four try assists, alongside Scotland's Finn Russell.
