PREVIEW REPORT

WALES - SOUTH AFRICA

SUMMER NATIONS SERIES 2023

WEEK 4

19/08/2023

WALES vs SOUTH AFRICA

2023 SUMMER NATIONS SERIES

OPTA FACTS

- South Africa have won four of their last five Test matches against Wales (L1) after losing four in a row against them previously – four of the last five Test matches between Wales and South Africa have been decided by margins of just five points or fewer.
- Wales have won two of their last four Test matches (L2), as many as they'd won in their previous 13 fixtures – Wales have conceded just one try across their last two matches, after conceding 2+ tries in each of their previous six.
- Wales won their most recent Test match on home soil (20-9 v England) after losing four in a row previously – they will be aiming to win back to back home matches for the first time since winning three in a row between November 2021 and February 2022.
- South Africa have won five of their last six Test matches (L1), including each of their last two and have won each of the last 11 matches in which they led their opponents at half-time.
- South Africa have won each of their last two Test matches which were hosted in Europe, however, the Springboks haven't won three matches in a row in Europe since the 2015 Rugby World Cup (W4).
- Wales have made more dominant tackles overall than any other Tier 1 nation in 2023 (88), while South Africa have the highest tackle dominance rate of any side this year (13.5%) – Wales have also made the second most offloads of any side this year (59, behind Scotland - 70), while South Africa have made the joint-fewest (23, also Japan).
- South Africa have the highest carry dominance rate of any Tier 1 nation in 2023 (49%) and consequentially have also crossed the gainline from a greater percentage of their carries than any other side this year (57%).
- South Africa are one of just two Tier 1 sides to have maintained a 100% success rate from their own scrums in 2023 (also Australia), while Wales have the lowest scrum success rate of any team this year (81.4%).
- Wales' Taulupe Faletau has made more carries per 80 than any other Tier 1 player to have played 240+ minutes in 2023 (14.5, min. 240 minutes played), while fellow back-rower Jac Morgan is the only active back-row to have made 2+ dominant tackles per 80 this year (2.4).
- South Africa's Steven Kitshoff has won more turnovers per 80 than any other player in Tier 1 Test rugby in 2023 (2.7, min. 80 minutes played), while teammate Malcolm Marx has won more turnovers per 80 than any other player since the 2019 Rugby World Cup (1.4, min. 800 minutes played).
