# SCOTLAND vs FRANCE

2024 GUINNESS MEN'S SIX NATIONS

## OPTA FACTS

- Scotland have won three of their last four home matches against France in the Guinness Men's Six Nations (L1) after winning just one of their previous eight meetings in the Championship (L7); however, France emerged victorious in the most recent meeting between these two sides in Edinburgh (36-17 in 2022).
- Scotland won their opening match of this year's Guinness Men's Six Nations (27-26 v Wales) – they have won their opening two matches in the Championship just once before, however that one instance came just last year (v England and Wales).
- Scotland have won six of their last seven Test matches on home soil (L1), including each of their last four, their longest winning run at Scottish Gas Murrayfield since 2017-2018 (also 4), a run which included a Guinness Men's Six Nations victory over France (32-26 in February 2018).
- France have won nine of their last 11 Guinness Men's Six Nations matches (L2), with their only defeats in that period both coming against Ireland, however, their opening round defeat to Ireland this year came by a margin of 21 points (17-38), their heaviest home loss in the Five or Six Nations since 1914 (13-39 v England).
- France have lost each of their last two Test matches after winning seven in a row previously, however, they have not lost three consecutive Tests since 2018-2019 (L3), a run which they ended with a Guinness Men's Six Nations victory against Scotland (27-10 in February 2019).
- Scotland conceded 16 penalties against Wales in their opening match of this year's Guinness Men's Six Nations, the most of any team last time out and their most in a match in the Championship since conceding 17 against England in 2014.
- Scotland made the most kicks in play of any side in the opening round of this year's Guinness Men's Six Nations (38), while France made the fewest (20) – only England retained possession from a greater share of their open play kicks (16%) than Scotland (11%) or France (10%) last time out.
- France committed 2+ opposition tacklers from a greater share of their carries than any other team in the opening round of this year's Guinness Men's Six Nations (57%), while only Italy (22%) had a higher tackle evasion rate than Les Bleus last time out (21%).
- Damian Penaud is set to win his 50th cap for France, he has scored 15 tries in his 21 appearances in the Guinness Men's Six Nations since his debut in 2019, the most of any player in that period, with Scotland's Duhan van der Merwe having scored the joint second most tries since 2019 (11, level with Josh Adams).
- Scotland's Finn Russell was the only player to assist more than one try in Round 1 of this year's Guinness Men's Six Nations (2), surpassing Dan Biggar as the player with the 2nd most try assists in the history of the Championship (Russell 19, Biggar 18), behind only Conor Murray (28).
