

PREVIEW REPORT

WALES vs ITALY
GUINNESS WOMEN'S SIX NATIONS 2024
ROUND 5

WALES vs ITALY

2024 GUINNESS WOMEN'S SIX NATIONS

OPTA FACTS

- Italy have lost just two of their last nine Guinness Women's Six Nations matches against Wales (W6 D1) and have won each of their five away games against them during that period, however, each of those away victories came by margins of just seven points or fewer.
- Wales have lost all four of their games in this year's Guinness Women's Six Nations and could end a Championship with five losses for the first time ever should they lose to Italy – it would be the first time a nation has lost all five games in both the Men's and Women's Six Nations since Italy did so in 2017.
- Wales have won just one of their last six Guinness Women's Six Nations home matches (L5) and have lost each of their last three, however, they haven't lost more consecutive home games in the Championship since 2012-2014 (L5).
- Italy have won just one of their last six Guinness Women's Six Nations matches (L5), however, their most recent loss came by a margin of just seven points (10-17 v Scotland) – that match saw a total of 27 points scored, the lowest aggregate score in a Championship match involving Italy since the final day of the 2022 edition, when they defeated Wales (10-8).
- Italy have played away from home in Round 5 of the Guinness Women's Six Nations on five occasions, winning four of those matches (L1), including each of the previous three times they've travelled to Wales in the final round.
- Italy and Wales are the only nations yet to score a try in the opening 20 minutes of a match in this year's Guinness Women's Six Nations, in fact Wales are yet to score a first half try so far this campaign; Wales have conceded seven tries in the opening quarter, more than any other team, while Italy have conceded the most tries in the 20 minutes before halftime (6).
- 82% of Wales' 22 exits have come via kicks in the 2024 Guinness Women's Six Nations, the highest rate of any team, while Italy have opted to carry out of their 22 more frequently than any other side in this year's Championship (45%).
- Italy are the only team to have made 10+ turnover-winning tackles in the 2024 Guinness Women's Six Nations (13), while only France (20) have won more jackal turnovers than Wales (16) in this year's Championship.
- Wales' Alex Callender is the only player to have completed 60+ tackles in the 2024 Guinness Women's Six Nations (65), while teammate Carys Cox has made 22 tackles without missing any, the most of any player to have maintained a 100% success rate in this year's Championship.
- Italy's Alyssa D'Inca has won at least three more turnovers than any other player in the 2024 Guinness Women's Six Nations (7) while she's averaged 15.6 metres per carry this year, the best rate of any player to run with the ball on 10+ occasions.
