**2024 AUTUMN NATIONS SERIES**

**ROUND 1**

**10/11/2024**

## **WALES vs FIJI**

2024 AUTUMN NATIONS SERIES

### **OPTA FACTS**

- Wales have lost just one of their previous 14 men's Test matches against Fiji (W12 D1) and have won each of their last six against the Flying Fijians, including a six-point victory in their most recent meeting at the 2023 Rugby World Cup.
- Wales have lost each of their last nine matches, with their most recent victory coming against Georgia at the 2023 Rugby World Cup; defeat in this match would see Wales equal their longest ever losing run in Test history (L10, 2002-03).
- Fiji have won four of their last five Test matches (L1), with those four victories all coming by margins of more than 15 points at this year's Pacific Nations Cup; however, they lost by 40 points against Scotland in the opening round of this year's Autumn Nations Series, their heaviest defeat away to a European nation since 2016 (15-58 v England).
- Fiji have scored at least one try in each of their last 55 Test matches, averaging 3.6 tries per game during that spell; the last team to stop the Flying Fijians from crossing the try line was Georgia, in Suva in June 2016, while the last time Fiji failed to score a try on European soil was in 2010 (v France).
- Fiji were the only team to register dominant contact from at least half of their carries in the 2024 Pacific Nations Cup (54%), while Wales did so from just 21% of their carries in this year's Guinness Men's Six Nations, the second lowest rate of any side (Italy – 19%).
- Fiji retained possession from 20 of their 105 kicks from hand during the 2024 Pacific Nations Cup, the highest retention rate of any side (19%), while Wales did so from 13% of their kicks in this year's Guinness Men's Six Nations (18/143), the second highest rate of any team (England – 17%).
- Wales were one of just two teams to win over five turnovers per game in the 2024 Guinness Men's Six Nations (5.4, also Italy), while Fiji won an average of 6.8 turnovers per game in this year's Pacific Nations Cup, the highest average of any team in the competition.
- Wales made 253 tackles when they faced Fiji in their opening pool match of the 2023 Rugby World Cup, the most any side has ever made in a men's World Cup match – Will Rowlands made 27 tackles in that game, the most of any player, and the only time he's made 20+ in a single match for Wales across his 33 Test caps.
- Wales flanker Tommy Reffell won 11 turnovers during this year's Guinness Men's Six Nations, the joint-most by any player in an edition of the Guinness Men's Six Nations, alongside John Barclay who won 11 turnovers for Scotland in 2011, while Fiji's Meli Derenalagi won at least three more turnovers than any other player in the 2024 Pacific Nations Cup (7).
- Fiji's Vuate Karawalevu made eight line breaks during the 2024 Pacific Nations Cup, more than any other player, and was one of just two to gain 300+ metres in this year's competition (313, also Malo Tuitama).
